

Pre-K Update

Week 32 March 18-22 Theme: Spring/Easter

Language Arts

Hooray for Spring! With the warmer weather on the way at last, we are ready to celebrate Spring in Ms. Kailey's room. She has a wonderful assortment of fingerplays and poems to share with the children. On Monday and Tuesday, we will be welcoming spring with many activities focused on the color **orange**. If the weather cooperates, we may even take story time outside.

Concept

Mrs. Christine has the children talking all about the changes in weather and other signs of Spring. The children will take a nature walk, looking for signs of Spring. The shelf jobs will be reintroduced and reviewed, helping the children to master them. For science we will make a walking rainbow using paper towels and colored water.

Attention Parents

Spring Break
March 25 - 29
No Pre-school (9:00-12:00)
Open for day care only

Craft and Writing

Spring will be in full bloom this week as the children welcome the new season. Watch as our class focuses on our Spring color of choice, **ORANGE!**

Motor

Finally, Spring is here! Weather permitting, our outside time will be packed with action as we play the games hopscotch, red light-green light and relay races. Our obstacle course will move outside and will include slides, swings and running activities. Please dress accordingly.

Spring Party Days

March 18 & 19 – wear ORANGE

Easter Parties
March 21 & 22
