

Toddler Times

March 4-8 Week 30 Theme: Healthy Food

Happy Birthday to Jett!!!

This week will be extra colorful as we taste a rainbow of fruits and veggies! We'll read *The Very Hungry Caterpillar* and discuss the healthy foods he ate. A fun feed the caterpillar game will bring a smile to our little toddlers faces. A healthy food hopscotch game will get our legs bouncing and jumping from fruits to veggies.

Colorful crafts will include a mosaic salad plate, a happy avocado and vegetable stamp art. Circle time will be full of music as we learn new songs called "Do You Eat Your Vegetables?" and "I Know a Fruit". Classics such as "Apples and Bananas", "Fruit Salad" and "C is for Cookie" will be enjoyed. C is for Cooke will have a fun twist as we review our letters. In this song and flannel board, Aa is for apple, Bb is for broccoli and Cc is for carrot.

Kitchen toys will be enjoyed throughout the week we set the table and feed our teddy bears and baby dolls healthy food. We'll finish the week off with some parachute play.

Spring is coming and to celebrate we'll have school-wide color day party on March 19th. We ask that you please have your child wear GREEN clothing on this day to help us welcome Spring!!
