

# Pre-K Update

Week 30

March 4-8

Theme: Mammals

**Introductions:** Story #9 – (new words) Weeping, Willow, am

Proverb #4 A place for everything and everything in its place

**Language Arts** – Our theme of mammals will inspire some fun classroom games. We will play an animal memory game and end the week with an animal trivia game. We will continue to work on rhyming words and word families, focusing on sounding out the three letter words that create our word families.

**Concept** – Mrs. Christine has so much information to share about mammals. We will use bears for counting this week. For a science activity we will be mixing colors together to see what new colors we can create. We will measure distance from one object to another.

**Craft and Writing** – The children have been working really hard on name printing. We will roll up our sleeves for some finger-painting fun this week. St. Patrick's Play-Doh mats will be added to the fine motor shelves. We will end the week with a cute craft.

**Motor** – Now that the weather appears to be getting nicer (fingers crossed!) we plan on bringing motor activities outdoors as much as possible, so please dress your child appropriately. The children will play games one called, "Mr. Fox What Time Is It?"

## Special Dates:

March 15<sup>th</sup> St. Patrick's Day – wear your **GREEN**!

March 18<sup>th</sup> and 19<sup>st</sup> Spring Color Days – Celebrate the arrival of Spring by wearing the color **ORANGE**.

March 25<sup>th</sup> – 29<sup>th</sup> – Spring Break
