Take Me Out To The Ocean

Take me out to the ocean, take me out to the sea. There goes a starfish and sand dollar, I'm having such fun, I've just got to holler. Oh it's swim, swim, swim underwater, catch a ride on a whale, DON'T FEAR! For the sea animals are our friends, give a great, big CHEER!

Craft and Writing: Splash...right into the Junior room this week. Our new theme, Ocean, will be reinforced with our readiness papers. Lacing and cutting will also be practiced.

Concept: We will explore our oceans, learning all about various fish and sea creatures. The children will use shells for counting, sorting and seriation. Sand and water play will be enjoyed as we add sea creatures and beach toys.

Motor: The teachers will have the children swimming like fish and crawling like crabs through her room this week. Basketball, hopscotch and a fishing game are a few favorites on the agenda.

Spring Color Days:

March 18th and 19th.

The color for the Junior room will be YELLOW. Please dress your child in the color yellow on these days to help us welcome the Spring season. Several color themed activities and a yellow snack will also be enjoyed.
