

Two's News

Week 31 March 11-15 Topic: Spring

Introductions: come & go

Bits of Intelligence: World Wildlife

Language Arts: Ms. Stephanie loves Spring and has quite a few fun new songs to share with the children, such as “Mr. Sun” and “Baby Bumblebee”. Books for this week are titled Spring Clean Up and The Bear Wants More. We will also discuss what activities we can participate in during the Spring and what kind of clothes we wear. We will talk about what happens with plants and animals in the Spring. Our flannel boards will feature flowers, butterflies and 5 green frogs.

Concept: Ms. Leah is hoping the weather will warm up so we can enjoy taking nature walks outside in our backyard. We will keep an eye on our plant and tree outside for growing leaves. Ms. Leah has many fun Springtime shelf jobs to share. The children will enjoy learning about rain and how it helps plants grow. A class activity will have the children plant pretend flowers to create a pattern from small to big.

Craft and Writing Mrs. Nicole is super excited to paint a springtime pictures this week. The class will surely enjoy some sensory fun while finger painting. You can expect to see many springtime crafts and papers coming home to decorate your fridge. A St. Pat's rainbow is sure to brighten up the week. Raindrops will appear at the beginning of the week.

Motor: Now that the cold weather is going away we hope to get our running feet outdoors. We will celebrate our new season by dancing and waving colorful scarves.

Reminders

March 15th—wear your **GREEN** for St. Patrick's Day!

March 18th & 19th - help us celebrate the arrival of Spring by wearing the color

BLUE
