

# Toddler Times

March 11-15 Week 31 Theme: Frogs

## Introduction: number 4

We're TOAD-ally ready for Spring! We'll be jumping for joy with all of our froggy activities. Our sensory table will be transformed into a frog pond. We'll continue to work on our sorting skills as we sort our colorful frogs during circle time. Number fun will be had as we practice counting frogs into the pond and singing "Five Green and Speckled Frogs". Our little legs will jump on our colorful lily pads as we "ribbet, ribbet" around the room.

We're so happy spring is almost here! We'll be painting green galore in preparation of our Spring Color Day!. Fly swatter art will bring a lot of laughter and smiles to the class. Lily pads will be painted along with handprint froggies!!

We'll have a Shamrockin' fun time to finish off the week with a special rainbow activity! Have a fun and safe weekend!

### Parent Notes:

Friday, March 15<sup>th</sup> - Wear green for St. Patrick's Day
