

Toddler Times

March 18-22

Theme: Spring/Easter

Spring has sprung and we are so excited for its arrival! To celebrate we will all wear the color **GREEN** in the Toddler class to remind us of green frogs. We'll talk about all things spring and look for signs of blooming outside in our yard such as flowers sprouting, grass returning to its vibrant green and caterpillars getting ready to transform into butterflies.

Ms. Jackie has lots of springtime songs, fingerplays and flannel board stories to share with the class during circle time, including Rain, Rain Go Away, Little Bunny, Little Bunny, Mr. sun and more! A color pop up book titled Peek-a-Boo Springtime will be enjoyed this week. The fun will continue as we hop around the room to a pappy song by Bounce patrol called Hop Like a Bunny. We'll dance with our shaker eggs and even give "The Chicken Dance" a try! Marble painting with Easter eggs will be fun for our little hands. To finish off our week of fun look out for Peter Cottontail hopping down the bunny trail as the bunny himself pays us a visit on our party days.
