

Two's News

March 18-22 Week 32

Theme: Easter

Introduce: Ff

Bits of Intelligence: World Wildlife

Vocabulary - fabulous: unbelievable, incredible

Language Arts: Ms. Stephanie is so excited to share her favorite Easter books and songs, your little one is sure to come home singing them all! We will also enjoy special Easter flannel board stories including "5 Hopping Bunnies" and "Hunting for Eggs". We will end the week with a fun Easter egg letter hunt game.

Concept: We will begin our week by sorting eggs and bunnies small to large. Ms. Leah has a cute bunny tail color matching activity that the children are sure to enjoy. We will also focus on counting using carrots for the Easter bunny and match different egg patterns.

Craft and Writing: Make space on your fridge for a special Easter Bunny craft! The children will also be coloring and sponge painting this week. Of course, the week would not be complete without egg decorating!

Motor: The teachers will introduce a new game called Bunny Hopscotch. If the weather permits we can do this outside along with our Easter egg hunt, if not, we will also have a game of Bunny Bowling.

Color Days – March 18 & 19 – Wear your **BLUE** please

Easter Parties – Thursday and Friday, 3/21 and 3/22
