April 1-5 Week 34

Theme: Caterpillars and Butterflies

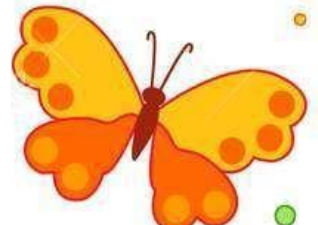

Book: The Very Hungry Caterpillar by Eric Carle

"I wonder how it feels to be a caterpillar, fall asleep and wake up as a butterfly?"

Our focus this week will be caterpillars and butterflies. We have a special "5 colored butterflies" flannel board story that will sure bring all of the bright, spring colors to life. We're also going to be moving our bodies with a fun body play activity called The Fuzzy Caterpillar. Plenty of outdoor fun will take place as we go on a bug hunt and fly around like butterflies.

We are very excited to play with our new shelf jobs. These jobs will help develop counting, fine motor and color recognition skills.

Spring Photos are Wednesday, April 10th
