

Bobbie Noonan's Child Care
Tinley II
Young Nursery
April 15 – 19, 2024

Theme:
Birds

Introductions:
Oval

Language:

Do you hear the birds chirping in the day time? Or the owls hooting at night? This week we will be learning about the different types of birds, like blue jays, cardinals, owls, penguins and many more. We will also be reading "Hello, World! Birds" by Jill McDonald.

Concept:

We will be comparing the different types of birds and counting how many eggs are in the bird's nest. Our new shape, oval will be introduced and added to our shelf this week.

Art:

The children will get creative and make several art projects that go along with our theme. The children will also work on papers to reinforce our new shape oval.

Motor:

During motor time, the children will have fun getting on the rocking boat, crawling through the tunnel and pushing our riding toys. Weather permitting, we will be going outside daily.

Have a great week!
