Theme: Farm

April 15, 2024

This week, we continue to explore what takes place on a Farm.

Bold Beginning story #5, **Come and Jump**, will be introduced this week.

With the change in our weather, we would like to spend some time outside each day. Please send you child to school in gym shoes. Keep in mind also that the mornings can still be chilly, so dress your child appropriately.

Language Arts: Our picture file will help us identify crops, animals, equipment, and buildings we find on the farm. We will continue to play the "Riddle Game" to guess what things are associated with the farm. The storybooks, *Not Now! Said the Cow*, *Seed to Plant*, and *The Rainy Day* entertain us this week.

Concept: We will continue exploring the process by which a farmer grows his crops and the tools that he uses to do so. We will complete some farm estimation and learn more facts about farm animals. The students can even try to "milk a cow"!

Craft & Writing: In class this week we will make our own corn cob paintings and explore our creativity by making farm animals using shaving cream!

Motor: Bean Bag Toss and Ball and Wand, will keep us active this week. A listening activity will help us to follow directions.
