- **Theme:** The Farm
- **Introduce:** Story #5 , Ww & Xx
- **Expressive Vocabulary:** lively: *full of life, energy, enthusiasm*
grouchy: *easily annoyed or angered, in a bad mood*

Language Arts: These next two weeks we will be talking about what a farmer does and what farm animals give us. The boys and girls will have fun singing "Old McDonald Had A Farm." Also, we will enjoy reading *Old Mc Donald Drives A Tractor* and *The Greedy Goat*. We will continue to review all the letters that we have learned.

Concept: This week the children will enjoy doing a variety of activities related to the farm. To start off the week we will be talking about how farmers plant and harvest. We will compare a cow to a horse and a chicken to a duck. Ms. Jackie will add a new barn matching game to our job shelves.

Craft & Writing: We're on our way to the farm for the next 2 weeks. The children will also be very creative as we work on farm projects. Keep your eyes open for animals around our room! The children are still practicing tracing their names. It's going to be a "farmtastic" two weeks!
