Theme: Spring

Introductions: Review Aa-Zz

Bit Cards: Sea Creatures

Manners: Eat with your mouth closed

Proverb: Think before you speak

LANGUAGE ARTS: Will review the letters Aa - Zz along with their phonetic sounds. Spring books, songs and finger plays will be done.

CRAFT AND WRITING: We will be working on papers that reinforce our theme of spring. We will also continue tracing our numbers, letters and shapes as well as printing our names. Keep a look out for signs of spring with a special butterfly art project.

CONCEPT: With the arrival of the first day of spring, the children will be talking about what kind of changes we will start to see outside. The children will also be planting seeds inside and we will keep the plants here so we can monitor the changes that will happen as the plant grows.

MOTOR: The children will be using the tunnel and balance beam and they will be doing an obstacle course. We will be going outside weather permitting, so please make sure your child has the proper clothing here at school to go outside with us.

Have a Super Week!
Mrs. Katie & Miss RaeVen

SONG OF THE WEEK:
"Spring Song"
(Tune: "Are You Sleeping?")
I see robins, I see bird's nest
Butterflies too, flowers too.
Everything is growing
The wind is gently blowing
Spring is here, spring is here.
