THEME: Farm

April 29, 2024

Farm life will be explored over the next few weeks. This week we will focus on the life of farm animals and what their job is on a farm.

New introductions for this week include the numbers **9 & 10**.

We will try to spend as much time as we can outside on the playground. Closed toe shoes are recommended, as they help keep the woodchips from getting caught in our shoes.

Please label all coats and sweatshirts.

Have a great week!!!

Mrs. Desi, Mrs. Taghrid, Ms. Melissa and Mrs. Amy

Language Arts: Many songs, stories, finger plays, puppet play, and flannel board stories will enhance our *Farm* theme. Some story titles will include "The Big Red Barn", "Little Cow", and "Old McDonald Had a Farm". Can't wait to move and groove to the chicken dance.

Concept: The Concept jobs that include sorting farm animals and their homes by size and one-to-one correspondence, will be added to our shelf. To enhance our fine motor skills, the children will use sponges at the water table and we will play like pigs in the mud.

Craft & Writing: This week we will create muddy pigs and yummy carrots. Our crayons and watercolor paints will be put to good use. Play-doh will enhance our fine motor skills.

Motor: A new game **The Train Track Walk**. The children will try to balance on colored tape, walking from one end to the other.

Happy Birthday

Sylvia Pederson 5/3
