Theme: Earth Week

April 22, 2024

Earth Day is April 22 and this week we will learn what it means to "stay green"!

Have a great week!

Mrs. Paula, Mrs. Karen and Mrs. Donielle

Language Arts: *Earth*, by Stacey McNulty will help introduce earth day to the children. Spring and Earth Day will be highlighted through two homework poems entitled "What I Want" and "I Love the Earth". Our reading story **My Big Blue Boat** will be reviewed and we will be rehearsing songs that we will be singing at our spring show.

Concept: A discussion on how we can take care of our planet through cleaning up after our self, recycling, and planting our own food will help the children understand how these tasks help our environment.

Craft & Writing: More letter review is coming our way this week and we will also work on papers reinforcing Earth Week. To brighten our day, the children will create a picture of the earth with puffy paint.

Motor: Let's keep our bodies in great shape by exercising and playing garbage toss. We will **reduce, reuse and recycle**.

Dates to Remember

May 8 Teacher Appreciation Day

May 18-End of the Year Program

May 27-Memorial Day-Center closed

May 31-Last day of school
