## Theme: Ocean Animals

April 15, 2024

Our discussions about the ocean and ocean animals will take us into the deep, dark sea. With the weather finally getting warmer, we will be going outside on a daily basis. It tends to be chilly in the morning, so please dress your child appropriately.

Mrs. Paula, Mrs. Karen, and Mrs. Donielle

**HAPPY BIRTHDAY**  
Quinn Strzykalski 4/18

**Language Arts:** With the help of our picture file and things on our theme table, we will discuss the life of animals, fish, and plant life in our oceans. An array of stories will be shared as well.

**Concept:** This week, the study of *Wind* will be conducted. Wind plays an important role in our world, as we will soon discover during the week. Wind is a factor in how high the waves are in the ocean and simple experiment will illustrate how we can move an object without touching it.

**Craft & Writing:** The children will be reviewing the alphabet, numbers, and colors and creating their very own shark at craft time. Cutting and playing with playdoh will help strengthen our fine motor skills.

**Motor:** Noonan's Team will be outside working on motor skills. Let's pretend to dive like dolphins and have relay races in our play area. Please dress for the morning temps.

### **Dates to Remember**

**May 8 Teacher Appreciation Day**

**May 18-End of the Year Program**

**May 27-Memorial Day-Center closed**

**May 31-Last day of school**

### **Employment Opportunities**

Spread the word!! We are looking for a teacher and a teacher's aide as well as a cook for both summer and fall. Child care benefits are offered. If you or someone you know is interested please give Paula or Geri a call at 815/469-2627.
