Theme: Reptiles

April 8, 2024

In the past, the children have always enjoyed *Reptile week*. We are sure that they will learn that reptiles are interesting and fun!

Have a great week!

Mrs. Paula, Mrs. Karen and Mrs. Donielle

Language Arts: Story #10 *I Can*, will be introduced. We will enjoy learning facts about reptiles and continue practicing for our end of the year program.

Concept: We will talk about the world of Reptiles. Addition and subtraction skills will be reviewed.

Craft & Writing: The children will make an alligator to enhance our theme. We are also working on numbers and identifying opposites.

Motor: Spring has sprung! Outside activities will include a reminder of all the playground rules. A mini obstacle course will get our body parts moving slowly like our reptile friends. We will move like *frogs, snakes and turtles*.

Dates to Remember
