

Theme: Birds

Introductions: Story #13

Reading Story Words: Help, help, work, Do, you, to

LANGUAGE ARTS: We will be learning the names of many types of birds and fun bird facts this week. New finger plays this week will include "Two Little Blackbirds" and "5 Little Ducks".

CONCEPT: This week we will be going outside to look for birds and bird nests. We will have a compare and contrast activity with a bird vs. airplane and a nest vs. a house. The children will also be working on estimation activities using spring items, sequencing and will work on counting to 50.

CRAFT AND WRITING: Our theme of birds will be reinforced through art projects, dot-to-dot papers and fill-in-the-missing number papers. We will continue to work on printing our names and practice our cutting skills. Keep a look out for some bird art projects to come flying home this week.

MOTOR: This week the children will be doing an obstacle course using the tunnel, balance beam and hula hoops. If the weather cooperates, we will go outside to play Red Light, Green Light and use scooters.

Tuesday, April 9th - Eid begins at sunset
Eid Mubarak!

There Was a Wise Old Owl

by Lorraine Quentler

There was a wise, old owl --
Who lived up in a tree.

He sat upon a branch --
So all the world he'd see.

He looked at a snake,
He looked at a bee.

He looked at a mouse,
But he winked at me!

Have a great week!
