- **Theme:** Flowers/ Trees / Earth Week
- **Review:** All concepts learned
- **Expressive Vocabulary:** multitude – *a great number of people or things*
negligent – *not showing proper care or concern*
- **Proverb:** “April showers bring May flowers”
- **Bits of Intelligence:** Flowers

Language Arts: The focus this week will be on helping our environment and keeping the Earth healthy. We will learn about reduce reuse recycle and how even the smallest change can make a difference. We will also discuss how long some objects take to decompose and where all the trash goes.

My Apple Tree

*Way up in the apple tree
Two little apples smiled at me
I shook that tree as hard as I could
Down came the apples...MMM...were they good!*

Concept: We hope the weather cooperates so that the children will have the opportunity to go outside on a nature walk and collect spring things. The objects will be added to our Science shelf. The class will discuss what we found and measure sticks, leaves, branches, etc. We will be talking about our Earth and ways to keep it clean.

Craft & Writing: This week Mrs. Tiffany will focus on reviewing all the concepts introduced this far. Some papers will include matching different objects, looking at pictures of our earth and identifying what part of our Earth is land and water. The boys and girls will learn about different ways to keep the environment clean.

Important Dates:

April 22.....**Happy Earth Day!**
