April 22 – 26; Week #32

Theme: Earth Day
Introductions: Cylinder & Sphere
Bits: Insects
Manners: Review
Vocabulary: Review

Language: This week in Language, we will discuss our earth and how important it is to take good care of it. We will learn the importance of recycling. We will also have fun with different songs and flannel board stories that go along with our earth theme. We are looking forward to seeing our new earth day projects.

Craft & Writing: This week in Craft & Writing, the children will continue to print and trace their first and last name. The children will review colors and shapes. The children will strengthen their fine motor skills cutting with scissors. We will end the week creating flowers and splash art.

Concept: This week in Concept, during the week of Earth Day, we will learn about the water cycle and how important it is for us to keep our water clean. We will introduce cylinders and spheres as we begin learning about three dimensional shapes. There will be a review on shoe tying and counting by twos, fives and tens.

Motor: This week in Motor, we will have free play throughout the week as well as some fun following directions games.

UPCOMING EVENTS:
