Palos Hills
Young Nursery Room
Theme: The Farm
Weeks of April 29 & May 6
Introduce:Ee

Language Arts We'll be learning two new flannel board stories, "The Farmer in the Dell" and "Down on Grandpa's Farm." We'll bring out our animal puppets to sing Old McDonald Had a Farm, and read *Mrs. Wishy-Washy*.

Motor: We're looking forward to playing outside and riding bikes. We'll play Farmer Says using farm pictures to say the names and act out how the animal moves and sounds. We'll introduce Ee by playing a bowling game to knock down letters.

Art: During art we will be coloring, painting, and mosaicing farm pictures and our new letter Ee.

Concept: We'll look at pictures of farm animals and match the babies to their mother. We will sort animals by size and color, and learn positioning words as we put animals inside, outside, over, and under a barn.
