Bugs and Insects

Introducing:
Yy & Zz

LANGUAGE AND READING:

We are learning Yy and Zz, the last two letters of the alphabet!!! Hooray! We can't wait to sing the entire alphabet and the 'A' is for Amos song.

We are going to enjoy some Eric Carle books. "The Very Hungry Caterpillar", "The Very Busy Spider", and "The Lonely Firefly" are only a few of the books we will read and learn from. We will also learn many songs and fingerplays to enhance our bug and insect theme.

CONCEPT:

Is the bug over, under, on top of, or next to the leaf? Positional words will be introduced and practiced for the next 2 weeks. We will work on patterning with caterpillar building. The children will also learn about the parts of bugs and which fly and which crawl. We will have sorting activities to help us learn. If time prevails, we will go outside on a bug hunt.

CRAFT AND WRITING:

We will work on our printing skills as the children print the letters Yy and Zz and their names. We have many creepy crawly projects to complete. Scissor work will be done when we snip buggy cutting strips. Lastly, the children will get to put together buzzing bees and caterpillars too!
