Weeks 38 & 39 April 29—May 10, 2024

On the Farm

Introducing:
Ff

LANGUAGE AND READING:

Welcome to Farm Week! Our class will be going to the farm to see the animals, discuss what food can be grown and learn about all the jobs a farmer has. We will look closely at farm animal teaching pictures. We have a new review game called “Feed the Cow” to play. Our featured song for the week is none other than “Old MacDonald Had A Farm”!

The letter Ff will be introduced along with the phonetic sound.

CONCEPT:

During Concept for the next 2 weeks, the children are going to learn about some of the things that farmers do like milking a cow! We will also milk a cow and we will make butter too! We will continue to count, do the calendar, say the months of the year and say the days of the week. The children will get an opportunity to play off the shelf and clean the animals in the water table.

CRAFT AND WRITING:

We will be using many different art forms for the next 2 weeks of school. We may paint the pigs with dirt., use scissors to cut out farm animals, and the children will get to decorate their very own barns. Lastly, we will become some farm animals by making piggy tails, ears and maybe even a mask!

PARENT NOTES:

We will be closed for Memorial Day on Monday, May 27.

The last day of the school year is on Friday, May 31.

Photos should arrive soon. Everything is placed online.
