Theme : Spring

Intro: Review

## Craft and Writing

This week in craft and writing we will work on some printing skills in our alphabet book. I have some math worksheets and a syllable sounds worksheet. We will also be getting creative as we learn about the Spring season.

## Motor

Motor time will be working our bodies to some bean bag boogie!

## Notes

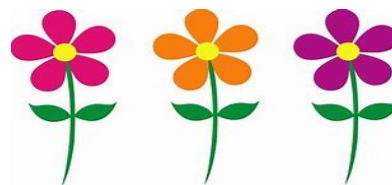

**Friday Show and Tell:  
Spring**

**Refer to your note  
about Earth Day fun!**

## Concept

This week we will continue our work in addition facts. I will also take our clocks out to do some review on time! They love those clocks. We will talk about the spring season and learn about the growth of a flower.

## Language Arts

Language class will be fun as we brainstorm words about Spring. I have a new word wall with words in our writing center. We will break down the words with syllables and look for compound words. We will be working hard on our Taffy Apple stories this week! We are also working hard on some new songs to share at the end of the year! :)
