

Two's News

Week 35 April 8-12 Theme: Storytime Favorites

What's New

Introductions: Review all concepts
Bits of Intelligence: World Wildlife

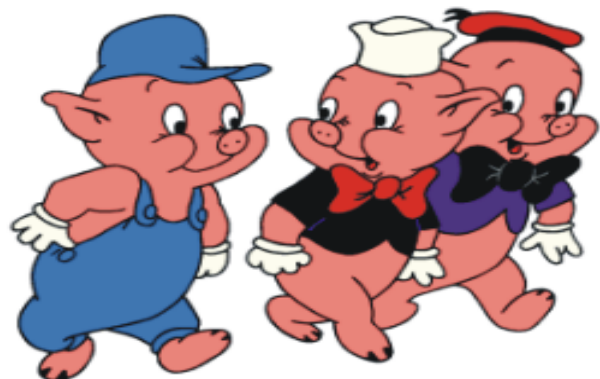

Language Arts: Ms. Stephanie will introduce the story of **Jack and the Beanstalk** as well as a few others. It's time to bring the flannel board out to help bring the folk tale "Goldilocks and the Three Bears" to life. We plan to spend lots of time in our dramatic play area this week. The children will also enjoy many "big book" stories like Cinderella. The fingerplays "Two Little Blackbirds" and "Five Little Monkeys" will be reviewed. New activities include feeding 3 bears porridge to match letters and also match princesses to castles. These activities help with letter recognition and one to one correspondence.

Craft and Writing: Keeping with our theme the children will make a bear from Goldilocks and the Three Bears. A letter collage is planned for the week to help review the letters Aa-Ff. We will be also be using watercolor and chalk, colorful sand and foil to make some favorite stories come to life. A special craft ends the week.

Concept: It's loads of fun this week in Ms. Leah's class! She will delight the children with a new game that reinforces the concept of patterning. The children will count flags for castles. They will practice size seriation as we sort bowls of porridge, chairs and beds to the three bears. There will also be some fun new counting shelf jobs. We will be matching fairies and building

Motor: Inside to outside, rain or shine, we are going to have a ball playing with our new bouncy balls. We love practicing our morning dance routine. Dancing helps us work our muscles.
