**THEME:** Farm Life

**May 6, 2024**

During the second week of our Farm theme, the children will learn many new things that happen on a farm.  
Have a great week!

Mrs. Desi, Mrs. Taghrid, Ms. Melissa and Mrs. Amy

**Language Arts:** Moo, Baa, Quack, Duck! Let's learn the different sounds we hear on the farm, through the help of songs and storybooks and fingerplays. With the use of musical instruments, we will sing "Grandpas Farm", one of our favorites and "The Wheels on the Tractor."

**Concept:** The week's concept jobs will reinforce numbers using pigs and mud pits. Sheep will help us review our letters. We will also have fun playing a farm animal matching game. A science experiment using corn kernels will be performed this week. Don't forget to ask your child what happened!!

**Craft & Writing:** Our little farmers will be busy at work as we create artwork to decorate our classroom. We will explore shaving cream while using our toy farm animals. Horses, cows, and ducks, oh my!!!

**Motor:** We should be able to enjoy some outside time this week. Ball activities will enhance our eye/hand coordination and a hula hoop jump will test our gross motor development.

## Important Info

May 6-Teacher Appreciation Week  
May 27-Memorial Day, center closed  
May 31-Last day of school
