

# Junior Journal

Week 39      May 6-10      Topic: Spiders

Introducing: Yy and Zz

Concept: Class discussion will involve the different characteristics of spiders. Facts will include how many legs they have, where they live and what they eat. Ms. Sam will use assorted bugs to make different patterns.

Language Arts: A new fingerplay titled “The Teeny, Weeny Spider” will get us ready for our new theme. Our fables and morals will be reviewed in for form of a question and answer session in the Language Arts room this week. Many of our favorite review games and stories will be enjoyed. Ms. Jen has the children practicing all of their program songs, prepare to be delighted!!

Craft and Writing: Spiders will be crawling all around in Ms. Cheryl’s room this week. Our readiness papers will help us with our new letters Yy and Zz. We will also create a spider as our craft for the week. It’s going to be a creepy, crawly week!.

Motor: Feet and hands will be busy as the children practice bouncing and catching balls, playing hopscotch and having various types of relay races. Some different kinds of races are scooter races, a broom relay and a kicking relay. A review game of Toss Across will help reinforce all of our concepts. The children will pretend to walk like spiders.
