

THEME: All About Me

August 26, 2024

The numbers 1 and 2 and shapes circle and square will be introduced, as well as Reading Vocabulary words: *Taffy, Apple, Run, run, Jump, and jump*. These concepts will also be added to our shelf activities.

Our center is closed on **Monday, September 2**, in observance of Labor Day. We wish all our families a very happy and safe holiday weekend.

Mrs. Paula, Mrs. Karen, Mrs. Donielle and Miss Ellie

Language Arts: Oh my! Taffy Apple is on the run! This week our spotlights will be on Story #1 *Taffy Apple*. Pre-K reading material will emphasize how we are so *special* just the way we are!

Concept: During the course of this week, we will embark on a fun filled fact-finding mission to discover more about ourselves and our classmates. In Concept class, we are going to learn how to record our height and weight, as we weigh and measure how tall we are. We will also be making and tasting applesauce this week.

Motor: Let's find out about all of our body parts that keep us in shape. We will do this with the help of the song "Head, Shoulders, Knees and Toes."

Craft and Writing: The children will be very busy printing the numbers 1 and 2 and recognizing color words. Paper plate self-portraits will be created as well as water coloring name plates.

To all Parents

We do go outside everyday, weather permitting. Please be sure your child has appropriate clothing. If it is chilly, they need a jacket and perhaps a hat. They should **always** wear gym shoes and socks to school.

Don't forget to sign up on the **REMIND App** to receive important information regarding our center.

Happy Birthday!

Gavin Breen 8/26

Beatrice Voss 8/27

Eleazar Michelson 8/28
