

News at Noonan in Mrs. Laura's VPK Class

What's happening this week?

8/12-8/16

Theme : Let's Get Acquainted

Intro: Learning about our classroom

Craft and Writing

I am so excited to fun started this week with earning all about our fun we have in craft and writing! We will be introducing how to use our supplies and working at our desks. I have some fun crafts for the week that will help us learn how to use our crayons, watercolors, and pencils. We will start right away with tracing our names. I am looking forward to watching the kids grow with their writing skills.

Motor

This week we will be learning about safety and rules on the playground.

Notes

Welcome to VPK!

I am looking forward to a great year with your child!

Be sure to turn in your about me flags this week!

We're off to a great year in VPK!

Concept

Concept is our portion of the day that we work on small manipulatives, shapes. Numbers, and many other math skills.

This week we will be starting by introducing our number with some fun counting exercises. I will be showing the students around the room to learning a little about our concept shelves. Everyday this year the students will have time alone to work on baskets or "jobs" as we call them.

We will make a graph this week counting the letters in our names to help get acquainted with each other.

Language Arts

This week in our language class we will be reading some stories about the first days of school. We will talk a lot together as a group to get to know each other. I will be asking the students questions to share about themselves.

I will be introducing our name cards which we will be using daily to practice the letters our to our names and our friends names.
