LANGUAGE AND READING:

There is so much to learn about the season of Fall. We will sing, read and learn all about what happens during this season. We have many flannel board stories and fun finger plays to help with our discussion. We will practice reading stories, practice manners and learn a new fable. The letters Ii and Jj will be introduced along with their phonics sounds. Everyday we sing 'A' is for Amos.

CONCEPT:

Our Concept shelves are really growing as we add more jobs each week. We are already up to the letter Jj and the number 6. We will add many fall jobs this week. As the colors change outside, we will walk around and observe on a nature walk. We will experiment with leaves and apples. We will also collect Fall items that we find outside.

CRAFT AND WRITING:

During Craft and Writing, the children will continue to practice their printing skills by printing their letters, numbers and names. We will enjoy painting with fall colors. We are going to make apple pies, apple shakers and pumpkins.

PARENT NOTES:

Star Student is Omari! Each week we will choose a Star Student. We will send home information on what we need when it is your child's turn. This student will be highlighted all week. We look forward to everyone getting to be the 'Star' for the week!

We will be closed for in-service day on Monday, October 14.
